Objective

I am a Web Developer with the ability to work independently and collaboratively on a team, continuously develop new competencies, and implement my current knowledge of HTML, CSS, JavaScript, Bootstrap, React, and more. I am looking forward to the opportunity to join your team as I can contribute a willingness to be adaptable, ability to be self-motivated, and desire to learn and grow.

Education

Web Development Immersive Learning Program

Budget Planning App <https://efa112clientbudgetapp.herokuapp.com/>

- Worked on a team utilizing JavaScript and Reactstrap to create a budget app

Value Time Assessor App <https://time-value-assessor-client.herokuapp.com/>

- Created a unique app from scratch allowing users to determine the value of their neutral time and track time spent on tasks to determine if they should outsource paying for task completion

Wizarding World Static Layout <https://kierstengamby.github.io/StaticLayout/>

- Utilized HTML5, CSS3, and JavaScript to design and replicate Wizarding World's website

Pokémon Search App <https://kierstengamby.github.io/api1/>

- Utilized PokéAPI, HTML5, CSS3, and JavaScript to create a Pokémon search app in which you can find information about a specific Pokémon by Pokédex number

National 2022 Calendar <https://api-2-efaproject.web.app/>

- Utilized CalendarificAPI, Bootstrap, HTML 5, CSS 3, and JavaScript to create a calendar search app in which you can find information about various types of holidays in the U.S.

Professional Experience

Manager of Volunteer and Community Engagement

May 2019 – October 2021

United Way of Allen County, Fort Wayne, IN

- Managed and coordinated Day of Caring for Allen County businesses and nonprofits (1600+ volunteers at 90+ projects on one day)
- Coordinated volunteer opportunities for corporate and civic/social groups
- Led the organization's diversity, equity, and inclusion efforts, including research and developing funding priorities (distributed \$50,000 via grants to 6 local organizations)
- Developed relationships with Allen County nonprofits to collectively meet community needs

Project Coordinator

July 2016 – December 2018

Ambassador Enterprises, Fort Wayne, IN

- Led and assisted in leading eight Community Engagement programs to facilitate employee involvement in the community
- Built relationships with local nonprofits and leaders
- Spearheaded the company-wide diversity initiative

Humanitarian Aid Worker

January 2015 – November 2015

Adventures in Missions, Global

- Partnered with permanent workers in each country and helped with various projects
- Interacted with local residents and translators daily
- Treasurer: calculated international currency exchange, managed various budgets for six to 50 individuals, and represented the team in communication with the home office

Supervisor, Office Assistant, Student Caller

January 2012 – December 2014

University of Toledo Foundation, Toledo, OH

- **Supervisor (May 2012-December 2014):**
 - Supervised student caller shifts by monitoring and providing feedback
 - Assisted with student caller hiring and training
 - Utilized call center software (RuffaloCody) and implemented updates
- **Office Assistant (November 2013-December 2014):**
 - Distributed inquiries from alumni to proper office departments
 - Compiled and sorted data from Phonathon shifts and responded to emails and voicemails
- **Student Caller (January 2012-May 2012):**
 - Called and built rapport with University of Toledo alumni and updated alumni records
 - Solicited charitable gifts from alumni to support university students and colleges
